- Container colour	RAL 5010 Gentian Blue
--------------------	-----------------------

Internal finish

- Internal finish	Chipboard White
- Internal finish ceiling	Chipboard White

Insulation

- Wall insulation	Mineral wool 60 mm
- Roof insulation	Mineral wool 100 mm
- Floor insulation	Mineral wool 60 mm

Electrics

- Design of electrical connection	Including CEE countersinks, including consumer box
- Electrics	GB Standard (230V/32A/3-pin)

Design of floor construction

- Forklift pockets distance	2050 mm
- Floor panel	Standard floorboard
- Floor cover	ETERNAL 2 mm R10

Description

- 2 NO. Office window with tilt and turn mechanism and roller shutter
 - External dimension: 945X1200 mm
 - Window opening clearance: 821X1076 mm
 - Parapet height: 870 mm above floor surface (FOK)
 - Lockable aluminium roller shutters
 - Window glass insulated with gas filling
- 1 NO. External steel door
 - Standard dimensions (width): 875 mm
 - Light passage width: 811 mm
 - Light passage height: 2065 mm
 - Outward opening

Electrical equipment

- 2 NO. Double socket
- 1 NO. Spur
- 1 NO. Power off switch

Lighting

- 2 NO. Surface-mounted luminaire 30 W

Note:

Please note, if cabins with chipboard ceilings are stored uncovered as open side units or as transpacks over a longer period of time, moisture, humidity and temperature variations may cause damages and deformations of this type of ceiling boards. CONTAINEX excludes any warranty or liability for damages and consequential damages resulting from this cabin specification.

Other equipment and details according to our technical description, which we can certainly send to you on request.

Due to current developments (in particular COVID-19, availability of raw materials), delivery dates cannot be guaranteed and there may be deviations to technical specifications or fixtures and fittings.
